Dear WPUSD Families,

On Monday, July 8<sup>th</sup> at 9am, the link to the online Emergency Contact Update & Required Student Waivers will be accessible through your PowerSchool Parent Portal. Click [HERE](#) to go to the link to update your information. As a reminder, every family must review and update their child's information and complete the required student waivers, even if there are no changes.

By now, you should have set up a Parent Portal Account. You will need an account to update your child's Emergency Contact Information & Required Student Waivers. If you have not set up an account, please see the attached letter for instructions and FAQ's. You will also need your child's Access ID and Password. Please contact the district office at 916.645.6350 during summer business hours (10am to 2pm) to obtain your child's Access ID and Password (required only for new accounts).

*\*\*\*Please note that failure to update your child's emergency contact information and electronically sign the Student Waiver Forms may restrict them from participation in extracurricular activities, class field trips and use of technology during non-class time.\*\*\**

Access to update your Emergency Contact and required Student Waivers will close on August 16, 2019 at 5pm.

For additional information, please visit our website: <http://www.wpusd.org/Parent-Resources/PowerSchool-Parent-Portal/index.html> If you need technical assistance, please contact the Technology Department at 916-434-3737 or email them at [ParentPortalHelp@wpusd.org](mailto:ParentPortalHelp@wpusd.org).
